Safeguard Proof of Vaccination Data with StoreSMART's COVID-19 Medical and Vaccine Card Holders – Three Styles Available

Have you had your vaccination yet? Your COVID-19 vaccination card may soon become the key to unlocking newly opening travel, family, work, school, and entertainment opportunities. So, shouldn't you keep this important document protected?

Enter StoreSMART's Medical and Vaccine Card Holders—convenient and inexpensive ways to keep your proof of vaccination card safe, easily visible, and free from destructive accidents and spills.

"Your proof of vaccination card is bound to become one of the most important documents you own," says Reenie Feingold, CEO and Founder of StoreSMART. "You need to store and protect it as safely as possible. Our lightweight, durable plastic pockets were designed to keep your cards safe, whether in a purse, bag or pocket."

StoreSMART's Medical and Vaccine Card Holders have additional practical uses, too. They can help organize your insurance information, social security cards, medical information, or appointment cards; or safely hold credit cards, driver's licenses, tickets, cash, and other small items.

With three styles available, you are sure to find a holder that works for you:

1. PE2169S-VAC: Clear 3" x 4" Plastic Pocket allows for ultimate visibility. Overall size 3 3/8" x 4 3/8", open on the short side with 1/4" lip.
2. SPCR1596ZIPS-VAC: 3 7/8" x 5 3/8" Zipper Pocket with Lanyard. Clear front with Red or Yellow back. Overall size 4 3/8" x 6 7/8", open on the short side with press and seal closure and a hang hole. Includes one 36" black lanyard.
3. RPP2915-VAC: 2 1/8" x 3 3/4" Two Pocket Folding Card Holder. Clear inside Pockets with Red or Yellow back. Can hold over 15 business cards per side.

Don't Procrastinate – Vaccinate!
